WIN-WIN principle in digestive oncology

Hepatocellular carcinoma

A plea for a multidisciplinary team

Scientific Programme

Iași, 26-27 July 2013
Hotel Astoria

Friday, 26 july

8.00-8.20 **Opening remarks: P. Rougier (ESDO), C. Stanciu (RSDO)**
Ph. Rougier: European Society of Digestive Oncology: the door is wide open
C. Stanciu: Romanian Society of Digestive Oncology: a crossroad

8.20-10.45 **Session 1**
Chairpersons: J.A. Karagiannis, C. Stanciu, M. Diculescu

8.20-8.40 Epidemiology of HCC, risk factors
M. Acalovschi

8.40-9.00 Screening and surveillance for HCC: who and how?
M. Manuc

9.00-9.30 Viral hepatitis, NASH and hepatocarcinogenesis
J.A. Karagiannis

9.30-9.50 Incidence and mortality of hepatocellular carcinoma in Romania
S. Valean

9.50-10.00 *Round table discussions*

10.00-10.30 **Coffee break**

10.30-11.40 **Session 2**
Chairpersons: C. Cijevschi Prelipcean, D. Negru, C. Lupascu

10.30-10.50 Diagnosis of HCC: Non-invasive imaging techniques
D. Negru, C. Ursulescu

10.50-11.10 Diagnosis of HCC: imaging guided biopsy
C. Ursulescu

11.10-11.30 Staging systems in HCC - staging guided treatment
L. Miron

11.30-11.40 *Round table discussions*

11.40-13.00 **Session 3**
Chairpersons: U. Neumann, Gh. Balan, I. Popescu

11.40-12.00 Surgical resection and liver transplantation: what for whom?
U. Neumann

12.00-12.20 Multimodal treatment of hepatocellular carcinoma in Romania
I. Popescu

12.20-13.05 Surgical treatment in a "nontransplant" academic center

12.20-12.35 C. Lupascu - Ist Surgical Clinic possibilities and experience

12.35-12.50 S. Lunca - Regional Institute of Oncology possibilities and experience

12.50-13.05 F. Grecu - IIIrd Surgical Clinic possibilities and experience

13.05-13.10 *Round table discussions*

Friday, 26 July

13.10-14.00 **Lunch**

14.00-15.20 Session 5
Chairpersons: O. Ebert, M. Acalovschi, S. Lunca

14.00-14.20 Local ablation with radiofrequency, percutaneous ethanol injection, microwave, laser and cryoablation
C. Ursulescu, C. Lupascu

14.20-14.40 Systemic and local therapy: transarterialchemoembolisation and radioembolisation: who benefits?
O. Ebert

14.40-15.00 Targeted molecular therapy
B. Gafton

15.00-15.20 *Round table discussions*

15.20-16.10 Session 5
Chairpersons: Ph. Rougier, A. Trifan, L. Miron

15.20-15.40 The guidelines presentation
Ph. Rougier

15.40-16.00 The application of the guidelines RO & ESDO
L. Miron, O. Ebert

16.00-16.10 *Round table discussions*

16.10-17.30 Parallel sessions – workshop
Chairpersons: C. Sfarti, C. Cojocariu, I. Ciortescu

(Each participants will go to all sessions for 30 minutes.

The speed and experience of moderators is essential.)

Room A

*M. Manuc, S. Bataga,
 G. Stefanescu, A.M. Sîngeap*

Building a lifetime screening and surveillance programme for your patient: clinical challenges

Room B

*C. Anton, E. Gologan,
 C. Mihai, I. Ciortescu*

Who knows will win:
 Noninvasive imaging diagnosis of HCC
A prize will be offered to the winner

Room C

*C. Sfarti, C. Cojocariu,
 M. Dimache, F. Grecu*

The therapy for HCC:
 choosing the best option

18.00 Discover our city/guided tour

20.00 GALA DINNER

Saturday, 27 July

9.00-10.00

Session 6

Chairpersons: C. Ursulescu, C. Cojocariu, C. Anton

Variceal bleeding in a patient with hepatocarcinoma

C. Sfarti, A. Trifan

Portal vein thrombosis in a patient with hepatocarcinoma

I. Girleanu, C. Cojocariu

Lecture: Treating hepatocellular carcinoma: where are we today?

M. Voiculescu

10.00-11.00

Clinical challenges 1

Chairpersons: M. Voiculescu, C. Sfarti, M. Dimache

1. Antiviral treatment for a patient with chronic hepatitis C and treated hepatocarcinoma – is it suitable?

Case presentation (*G. Toma, E. Toader*)

Debate: Does antiviral treatment prevents hepatocellular carcinoma in viral C hepatitis?

Pro: *C. Fierbinteanu* – Cons: *C. Sfarti*

Panel: *M. Voiculescu, G. Stefanescu*

Lecture: The shortcomings of surgery for hepatocellular carcinoma
C. Burcoveanu

2. Antiviral treatment for a patient with chronic hepatitis B and treated hepatocarcinoma – is it suitable?

Case presentation (*S. Bataga, I. Ciortescu*)

Debate: Does antiviral treatment prevents hepatocellular carcinoma in viral B hepatitis?

Pro: *S. Bataga* – Cons: *Fl. Ionita*

Panel: *Gh. Balan, L. Miron*

11.00-11.30

Coffee break - Bristol Myers Squibb

11.30-12.30

Clinical challenges 2

Chairpersons: S. Bataga, C. Fierbinteanu

1. A patient with advanced HCC missed 1 year ago

Case presentation (*A.M. Singeap, E. Mandrut*)

Panel: *C. Mihai, S. Bataga*

2. A simple case - is it simple?

Case presentation (*D. Mitrica*)

Panel: *E. Toader, G. Stefanescu*

12.30-13.00

Closing remarks
