

3rd ESDO Masterclass «Great Debates in Gastro- Intestinal Cancer Management»

In cooperation with the Division of
Medical Oncology & Hematology
County Hospital, St.Gallen/Switzerland

european society of digestive oncology

Kantonsspital
St.Gallen

Friday, November 8th –
Saturday, November 9th, 2019

County Hospital, St.Gallen/Switzerland,
Central Lecture Hall, Building 21

Dear colleagues and friends

It is our distinct pleasure and privilege to invite you to the 3rd European Society of Digestive Oncology (ESDO) Masterclass. After the first two successful ESDO Masterclasses in Leuven/BE 2017 and Marseille/FR 2018, the 3rd ESDO Masterclass will be held in St.Gallen/Switzerland. The topic is going to be «Great Debates in Gastro-Intestinal Cancer Management». We are fortunate to present an outstanding panel of internationally renowned experts who will have pro and contra debates on a variety of highly controversial topics in GI cancer treatment.

We look forward to welcoming you in St.Gallen in November 2019!

With kindest regards,

Prof. Dr. med. Ulrich Güller, MHS, FEBS

ESDO Governing Board
County Hospital St.Gallen
Division of Medical Oncology & Hematology,
St.Gallen/Switzerland

Prof. Dr. med. Eric Van Cutsem

ESDO President
University Hospital Gasthuisberg
Digestive Oncology, Leuven/Belgium

Programme

Friday, November 8th, 2019

07:30	Registration, Coffee	11:15 – 12:15	Pancreatic Cancer: Neoadjuvant chemotherapy is the standard of care for primarily resectable pancreatic cancer Chair: Prof. Dr. med. Thomas Grünberger, Vienna/Austria
08:30	Welcome Address Prof. Dr. med. Ulrich Güller, St.Gallen/Switzerland		Pro Prof. Dr. med. Thomas Seufferlein, Ulm/Germany
08:45 – 09:45	Hepatocellular carcinoma: Firstline treatment in locally advanced, inoperable hepatocellular carcinoma: TKI versus SIRT? Chair: Prof. Dr. med. Ulrich Güller, St.Gallen/Switzerland		Contra (resection first) Prof. Dr. med. Pascal Hammel, Clichy/France
	Pro SIRT Prof. Dr. med. Christophe Deroose, Leuven/Belgium	12:15 – 13:15	Is a NGS panel mandatory for all GI-cancer patients Chair: Prof. Dr. med. Wolff Schmiegell, Bochum/Germany
	Pro TKI Prof. Dr. med. Dieter Köberle, Basel/Switzerland		Pro Prof. Dr. med. Pierre Laurent-Puig, Paris/France
09:45 – 10:45	Locally advanced GEJ cancer Siewert II: Perioperative chemotherapy or neoadjuvant CRT? Chair: Prof. Dr. med. Eric Van Cutsem, Leuven/Belgium		Contra Prof. Dr. med. Michel Ducreux, Villejuif/France
	Pro perioperative chemotherapy Prof. Dr. med. Salah-Eddin Al-Batran, Frankfurt/Germany	13:15 – 14:15	Lunch Break
	Pro neo-adjuvant chemoradiotherapy Prof. Dr. med. Daniel M. Aebersold, Bern/Switzerland	14:15 – 15:15	PRRT in patients with neuroendocrine tumors? Chair: Prof. Dr. med. Jean-Luc Van Laethem, Brussels/Belgium
10:45 – 11:15	Coffee Break		As late as possible Prof. Dr. med. Tamara Matysiak, Nantes/France
			As early as possible Prof. Dr. med. Côme Lepage, Dijon/France

15:15 – 16:15

Gastric Cancer:

Resection of oligo liver-metastases in gastric cancer patients

Chair: Prof. Dr. med. Thomas Grünberger, Vienna/Austria

Pro

Prof. Dr. med. Christiane Bruns, Köln/Germany

Contra

Prof. Dr. med. Markus Möhler, Mainz/Germany

16:15 – 16:45

Coffee Break

16:45 – 17:45

Updates

Liquid biopsies in GI-cancer patients: present and future

Prof. Dr. med. Andrea Sartore Bianchi, Milan/Italy

Current status and outlook on immunotherapy in GI malignancies

Prof. Dr. med. Julien Taieb, Paris/France

Programme

Saturday, November 9th, 2019

- 08:30 – 09:30** **Colorectal Cancer:**
Maintenance therapy versus stop and go in metastatic, incurable colorectal cancer
Chair: Prof. Dr. med. Côme Lepage, Dijon/France
- Pro**
Prof. Dr. med. Miriam Koopman, Utrecht/Netherlands
- Contra**
Prof. Dr. med. Ulrich Güller, St.Gallen/Switzerland
-
- 09:30 – 10:30** **Should the asymptomatic primary cancer be removed in colorectal cancer patients with unresectable metastases?**
Chair: Prof. Dr. med. Tamara Matysiak, Nantes/France
- Pro**
Prof. Dr. med. Jüßen Weitz, Dresden/Germany
- Contra**
Prof. Dr. med. Florian Otto, St.Gallen/Switzerland
-
- 10:30 – 11:00** **Coffee Break**

- 11:00 – 12:00** **Adjuvant chemotherapy in locally advanced rectal cancer patients after neoadjuvant chemo-radiation?**
Chair: Prof. Dr. med. Thomas Seufferlein, Ulm/Germany
- Pro**
Prof. Dr. med. Ralf-Dieter Hofheinz, Mannheim/Germany
- Contra**
Prof. Dr. med. Ludwig Plasswilm, St.Gallen/Switzerland
-
- 12:00 – 13:00** **Resectable synchronous metastases in colo-rectal cancer patients – systemic treatment first or resection first?**
Chair: Prof. Dr. med. Ulrich Güller, St.Gallen/Switzerland
- Surgery first**
Prof. Dr. med. Thomas Grünberger, Vienna/Austria
- Systemic treatment first**
Prof. Dr. med. Eric Van Cutsem, Leuven/Belgium
-
- 13:00** **Conclusions**
